## **Ballpark Mysteries #7: The San Francisco Splash** David A. Kelly

Time for a seventh-inning stretch! *The San Francisco Splash* is book #7 in our early chapter book mystery series, where each book is set in a different American ballpark!

*Splash!* A hit soars over the walls of the San Francisco ballpark on the bay and drops into the water. But then Mike and Kate hear another, much larger splash nearby . . . and this time it's not a baseball. It's a man overboard! And when he's pulled from the water, the old-time ballplayer discovers his World Series ring is gone! Is it at the bottom of the bay? Or was it somehow stolen by a long-ago rival?

*The San Francisco Splash* includes several pages of "Dugout Notes," fun facts about San Francisco's recently built ballpark.

Cross Ron Roy's A to Z Mystery series with Matt Christopher's sports books and you get the Ballpark Mysteries: fun, puzzling whodunits aimed at the younger brothers and sisters of John Feinstein's fans.

#### **Russell Howell:**

As a college student exactly feel bored in order to reading. If their teacher asked them to go to the library as well as to make summary for some publication, they are complained. Just little students that has reading's heart or real their interest. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Ballpark Mysteries #7: The San Francisco Splash can make you feel more interested to read.
