Torrid Nights Lindsay McKenna

Mackenna Scott has built roads and bridges throughout wild, lush Indonesia, proving unquestionably her ability as an engineer. But when her new project lags, her boss, Brock Hampton, dares to challenge her as a professional—and as a woman.

They clash inevitably and repeatedly. Yet Brock's raw power inflames Mackenna's senses. His work-roughened hands sear her flesh. As they forge a tempestuous union in teeming Asian jungles and, later, on dazzling Australian beaches, Mackenna strives to tame this tiger of a man. Then, abruptly, Brock vanishes from her life, leaving her angry and bereft. Is his departure the betrayal it seems...or a final proof of his love?
