Adult Coloring - Geometrics Vol. 1 - Creativity Without Boundaries. Joe Dolan

Adult Coloring is the craze, but lets face it - kids love these geometric designs too! Unfold hours of creativity at any age while unwinding and shutting out digital devices and distractions. With these geometric designs, you can experience a self therapy, or a burst of creativity that literally knows no boundaries. Remember the days of being a kid in class, doodling and letting your imagination fly? Here's that feeling again - it's being called Adult Coloring, but we remember it as just being creative. Enjoy flipping through the pages of the edge to edge geometric designs and find the page that's calling you - start there. Colored pencils work best as these aren't kindergarten designs, some of the lines are finely placed and will offer you hours upon hours of fun making each design your very own. This is Vol.1 so keep an eye out for more in the series.
