Anxious Hearts

Tucker Shaw

Anxious Hearts Tucker Shaw

Eva and Gabe explore the golden forest of their seaside Maine town, unknowingly tracing the footsteps of two teens, Evangeline and Gabriel, who once lived in the idyllic wooded village of Acadia more than one hundred years ago. On the day that Evangeline and Gabriel were to be wed, their village was attacked and the two were separated. And now, in the present, Gabe has mysteriously disappeared from Eva. A dreamlike, loose retelling of Henry Wadsworth Longfellow's famous love poem "Evangeline," *Anxious Hearts* tells an epic tale of unrequited love and the hope that true love can be found.
