The Door That Led to Where Sally Gardner

In this fast-paced young adult mystery, Printz Honor winner Sally Gardner brings London to life as she explores crime, poverty, and ignorance over the span of almost two centuries, as a young man is given the opportunity to go back in time in order to make sense of the present.

A fresh start is what he needs. Will he find it in the past or the present?

AJ Flynn has just failed all but one of his major exams, and at almost seventeen years old, he sees a future that's far from rosy. So when he's offered a junior clerk position at a London law firm, he hopes his life is about to change—and it does, but he could never have imagined how much.

While on the job, AJ finds an old key labeled with his birth date, and he's determined to find the door it will open. When he does just that, AJ and his group of scrappy friends begin a series of amazing journeys to the past—1830, to be exact. And they quickly realize that hardship, treachery, and love haven't changed too much in almost two hundred years.

When they discover a crime that only they can solve, the boys go from wayward youths to intrepid young men with a purpose in life. But with enemies all around, can they unravel the mysteries of the past before the past unravels them?

From reader reviews:

David Veal:

This The Door That Led to Where book is simply not ordinary book, you have it then the world is in your hands. The benefit you have by reading this book will be information inside this book incredible fresh, you will get data which is getting deeper you actually read a lot of information you will get. This specific The Door That Led to Where without we recognize teach the one who studying it become critical in imagining and analyzing. Don't be worry The Door That Led to Where can bring once you are and not make your carrier space or bookshelves' turn into full because you can have it within your lovely laptop even telephone. This The Door That Led to Where having excellent arrangement in word and also layout, so you will not really feel uninterested in reading.

Raul Warren:

Many people spending their time frame by playing outside using friends, fun activity along with family or just watching TV the entire day. You can have new activity to enjoy your whole day by reading a book. Ugh, do you consider reading a book will surely hard because you have to take the book everywhere? It alright you can have the e-book, taking everywhere you want in your Cell phone. Like The Door That Led to Where which is obtaining the e-book version. So , try out this book? Let's find.

Ruth Morefield:

Is it anyone who having spare time subsequently spend it whole day by simply watching television programs or just telling lies on the bed? Do you need something totally new? This The Door That Led to Where can be the reply, oh how comes? A book you know. You are therefore out of date, spending your free time by reading in this completely new era is common not a geek activity. So what these textbooks have than the others?

Laura Burnham:

As a pupil exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the teacher want, like asked to the library. They go to there but nothing reading critically. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this The Door That Led to Where can make you sense more interested to read.
