Wrong About the Guy

Claire LaZebnik

Wrong About the Guy Claire LaZebnik

This contemporary twist on Jane Austen's *Emma* features the signature wit and swoon-worthy romance of beloved author Claire LaZebnik's other fan favorites *Epic Fail*, *The Trouble with Flirting*, and *The Last Best Kiss*.

Ellie Withers is definitely *not* spoiled, so she wishes that George Nussbaum would stop implying that she is. It's not her fault that her stepfather became a TV star and now they live in a big house and people fawn over her wherever she goes. She doesn't even *like* being fawned over. Fortunately, her two closest friends understand her a lot better than George: Heather Smith loved her before she even knew who Ellie's stepfather *was*, and handsome Aaron Marquand has a father who's just as famous.

With Aaron back in town and very much in her life, Ellie feels like things are just fine—or would be if her mother hadn't hired George to tutor her. George has a habit of making Ellie feel a little less sure of herself, a little less on top of the world, a little less right about everything. It's almost like he wants her to be a better person than she is.

When Ellie's plans for her family, her friends, and even her love life don't turn out the way she imagined, she begins to wonder if maybe she *could* stand to learn a thing or two after all . . . and whether it's possible—or even likely—that the perfect person to teach her is the last person she'd expect.

In a situation you wish to purchase the e-book, you can open their official web-site and order it. Have a nice study.

Selma Lang:

As a student exactly feel bored to help reading. If their teacher expected them to go to the library in order to make summary for some book, they are complained. Just tiny students that has reading's soul or real their leisure activity. They just do what the professor want, like asked to go to the library. They go to there but nothing reading significantly. Any students feel that reading is not important, boring and can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Wrong About the Guy can make you truly feel more interested to read.
