Antonio Penalves Rocha

Abolicionistas Brasileiros E Ingleses (Portuguese Edition) Antonio Penalves Rocha

Este livro se propõe a dar ao leitor a oportunidade de refletir sobre a História do Brasil e tentar contribuir na montagem desse enorme quebra-cabeça incompleto. Ao ver gravuras e ler fragmentos de relatos de viagem, o leitor descobrirá costumes estranhos, tribos canibais, aventureiros e piratas, embora ainda encontre personagens incrivelmente semelhantes aos atuais brasileiros. A diversidade de costumes e valores faz parte de nossa História e deu origem à cultura brasileira. Conhecer a história dessa fusão é o grande desafio dos pesquisadores, que buscam informações em documentos variados, entre os quais os relatos de viajantes estrangeiros. Durante três séculos, esses testemunhos registraram episódios vividos na América portuguesa que ora se destacam por uma percepção singular quando comparada aos olhares luso-brasileiros, ora apenas reproduzem lugares-comuns difundidos na Europa. No passado, sobretudo no período colonial, paulistas, baianos e mineiros se sentiam mais súditos da monarquia portuguesa, moradores dos domínios ultramarinos de Sua Majestade, do que brasileiros. Não havia o sentimento de ser brasileiro, identidade que se consolidou somente nos dois últimos séculos. Índios e negros de várias etnias se misturavam aos portugueses, mestiços, escravos e libertos e constituíam uma sociedade muito heterogênea e incapaz, à época, de se pensar como unidade, como nação.
