**Adultery & Other Choices: Nine Short Stories and a Novella** Andre Dubus

**Dubus's second collection of short fiction: a compassionate portrayal of man's journey from childhood to maturity**

For the adolescents in Part One of Andre Dubus's *Adultery & Other Choices*, youth is characterized by humiliation, alienation, and disappointment: A son struggles to connect with his distant father, and later he must overcome a schoolyard bully. Then, for the soldiers that inhabit Part Two, service is synonymous with sacrifice, as marriages and limbs falter and fail. But for the bitterly lonely wife of a promiscuous professor, a hopeless affair with a dying ex-priest provides her with the strength necessary to retake control of her life.

In the aptly titled follow-up to *Separate Flights*, Dubus expertly traces the arc of human life, and with subtle grace honors the men and women he portrays with such faithful veracity.

This ebook features an illustrated biography of Andre Dubus including rare photos and never-before-seen documents from the author's estate.
