Angel: Long Night's Journey #1 Brett Matthews, Joss Whedon

Get ready for an intense and darkly romantic new Angel thriller, written by none other than series creator Joss Whedon. Angel's searching for a kidnapped child, only to stumble upon a force of unspeakable evil and unimaginable power. Acclaimed penciler Mel Rubi (Aliens vs. Predator vs. The Terminator) takes us from the darkened, mean streets of Los Angeles to the dizzying heights of the city's skyscrapers, and face to face with some of the strangest, the most grotesque, and the most unsettlingly seductive creatures Angel has ever faced. Joss Whedon has retooled and reinvented his creation for comics and given us a story that is much too big for the small screen. If you think you know Angel, think again.
