Hiking the Bigfoot Country(A Sierra Club Totebook) John Hart

"Hiking the Bigfoot Country" is the first and still the only reasonably comprehensive guide to hiking in the rugged Klamath Mountains of northern California and southwest Oregon, a fascinating region including the Siskiyou, the Trinity Alps, and many other destinations. Though in need of updating, the book remains in steady demand as a tool for hikers and conservationists wishing to explore a part of the world known for Bigfoot sightings, rare flowering plants and trees, wild rivers and spiny peaks, and wilderness solitude.
