Whether you're writing a fictional novel, a cookbook, or a "how to" book, publishing a book is a business venture. All authors are entrepreneurs. And the first thing every entrepreneur should ask himself or herself is this: Do I offer the best value in my field, or do I offer the best price? This is a vitally important question to ask of yourself before you begin the publishing process of your book. Why? Because, if you offer the best value in your field, you need to promote your business (and everything related to it ... including your book!) using value-based selling. That's exactly what Polished Publishing Group (PPG) is; and this book is your priceless resource written by our own publisher and bestselling author, Kim Staflund, on how to prepare your book for publication and worldwide presentation.
