Kamikaze Kangaroos!: 20,000 Miles Around Australia. One Van, Two Girls... And An Idiot Tony James Slater

Tony James Slater knew nothing about Australia. Except for the fact that he'd just arrived there. The stage is set for an outrageous adventure: three people, one van, on an epic, 20,000 mile road trip around Australia. What could possibly go wrong? Of course, the van – nicknamed 'Rusty' – is a crumbling wreck, held together by the world's most garish paint job. They're criss-crossing the continent through some of the most inhospitable land on the planet – the infamous Aussie Outback. And isn't there something about Australian animals being... well, you know, kind of dangerous? Unprepared, under-qualified and hopelessly inept, Tony battles gigantic pumpkins, mechanical mishaps and suicidal kangaroos, armed only with a thong and a sense of humour. His companions struggle to keep him safe whilst climbing in drag, snowboarding off cliffs, and hiking hundreds of miles through the bush. One thing's for sure; this 'adventure of a lifetime' – if they survive it – is something they're never going to forget. So, scull those stubbies! Grab your galahs! And put down that platypus. LOOK OUT, AUSTRALIA! There's an idiot coming...
