Kenosha on the Go chronicles 110 years of transportation in Kenosha. From the first interurban streetcar that reached Kenosha's northern city limits in 1897 to the existing transit system in 2007, this book covers local streetcar operations, trackless trolley and bus operations, the two electric interurbans that served Kenosha, and the North Western Railway. Kenosha on the Go also brings readers to the rebirth of streetcar operations in Kenosha at the dawn of the 21st century.
