Textbook of Family Medicine David Rakel, Robert E. Rakel

This ninth edition of the *Textbook of Family Medicine*, edited by Drs. Robert E. Rakel and David P. Rakel, remains your #1 choice for complete guidance on the principles of family medicine, primary care in the community, and all aspects of clinical practice. Ideal for both residents and practicing physicians, this medical reference book includes evidence-based, practical information to optimize patient care and prepare you for the ABFM exam. A clean, quick-reference layout makes it easy for you to put information to work immediately in your practice.

- **Gain a new understanding** of the patient-centered medical home and how to achieve this status in outpatient clinics.
- **Make the most effective care decisions** with help from "Evidence vs. Harm" icons that guide you through key treatments of common medical conditions.
- **Take advantage of today's most useful online resources** with a convenient list of outstanding clinical websites.
- **Quickly spot "Best Evidence Recommendations"** with special boxes located throughout the text, and **glean helpful tips on diagnosis and therapy** from "Key Points" boxes found on every page.
- **Quickly access content** with an efficient new layout that includes more than 1,000 tables and full-color illustrations; **treatment boxes** for a concise overview of how to treat various conditions; **Grade A SORT recommendations**; and **key points** highlighting the major takeaways of each chapter.
- **Take advantage of an enhanced focus on team-based care** as the role of primary care providers evolves, and **stay up to date on the most current practice guidelines** with evidence-based information throughout.
- **Remain at the forefront of the field** with coverage on self-care, the emergence of tobacco alternatives such as e-cigarettes, and the changing picture of cancer in America.
