Crumpets, Tea and Poetry: 25 Favorite Bible Stories Set to Verse Robert H. Cain

From the first story of creation through the crucifixion and resurrection of Christ, the stories have been told, but never quite like this. With poems ranging across Adam and Eve to Daniel and the lion's den, author Robert H. Cain takes the Scripture where few have gone before. The biblical accuracy is left intact as Cain creatively weaves a modern account of the life of Christ that both young and old will appreciate and love. By choreographing the movements of twenty-five well-known Bible characters into a new dance, Cain encourages readers to experience the Bible with a rhythmic cadence and dash of humor that will lift their spirits and remind them again of the scriptural stories loved by all.
