Learn and remember Chinese words

“A simple new way to increase your foreign-language vocabulary . . .”

-**Nada El Sawy**, *Newsweek*

Developed by memory expert Dr. Michael M. Gruneberg, *Instant Recall Chinese* offers a proven method to help you build vocabulary and learn basic grammar instantly. All you need to do is listen, picture mental images, and then respond to the tests.

For example: The Chinese for tree is *shu*. Imagine your shoe gets stuck in a tree; then keep this picture in your mind for about 10 seconds, until the next word is presented. After a set of 8 to 10 words, you are tested on what you have learned. Within 10 to 12 hours, you will have a solid foundation of vocabulary and grammar to communicate confidently.
