## Mistress Finds Two New Lesbian Subs Kat Black

Karen was in her late 40s but kept herself up very well. She could easily compete with the young 20-something year olds out there. But, her knowledge and elegance, just the way she carried herself with confidence, made her rise above those young, tight 20-year-olds. She had been in the dominatrix business since her 20s and even though she had quite a nice list of clientele, she was always searching for more and for more ways to please her clients. Make sure you kiss every spot...I'd be insulted if you missed something.
