You can count on Rick Steves to tell you what you *really* need to know when traveling in Dordogne.

Rick Steves covers the essentials of Dordogne, including Sarlat, Rocamadour, and Lot River Valley. Visit the eighth-century Benedictine abbey Place du Peyrou in Sarlat or get up close and personal with prehistoric cave art in the world-famous Cro-Magnon Caves. You'll get Rick's firsthand advice on the best sights, eating, sleeping, and nightlife, and the maps and self-guided tours will ensure you make the most of your experience. More than just reviews and directions, a Rick Steves Snapshot guide is a tour guide in your pocket.

Rick Steves' Snapshot guides consist of excerpted chapters from Rick Steves' European country guidebooks. Snapshot guides are a great choice for travelers visiting a specific city or region, rather than multiple European destinations. These slim guides offer all of Rick's up-to-date advice on what sights are worth your time and money. They include good-value hotel and restaurant recommendations, with no introductory information (such as overall trip planning, when to go, and travel practicalities).
