The Agony and the Eggplant

Walter Hogan

The Agony and the Eggplant Walter Hogan

The Agony and the Eggplant is the first book-length study of author, illustrator, and radio personality, Daniel Pinkwater. Pinkwater began writing and illustrating children's books in 1970 and has been a prolific author for three decades. He has written over 70 books altogether: more than fifty picture books, a dozen books for middle-grade or intermediate readers, half a dozen books for adolescents, an adult novel, and several books of nonfiction.

Pinkwater is a humorist, and many of his stories involve science fiction or fantasy themes. He is often compared with Douglas Adams and Kurt Vonnegut; his style is often likened to Monty Python and *Mad* magazine. Pinkwater's fiction has often been described as "wacky" and "zany;" *The Agony and the Eggplant* will go beyond those cliches to place Pinkwater as a classical satirist, an American humorist, and a master of children's literature. Sprinkled with quotes and observations from Pinkwater, Hogan gives us a highly entertaining look at the man responsible for some of the most unique young adult fiction on the market.

From reader reviews:

Reginald Hunter:

Have you spare time to get a day? What do you do when you have much more or little spare time? Yes, you can choose the suitable activity intended for spend your time. Any person spent their very own spare time to take a move, shopping, or went to the Mall. How about open or even read a book entitled The Agony and the Eggplant? Maybe it is to be best activity for you. You already know beside you can spend your time with your favorite's book, you can cleverer than before. Do you agree with their opinion or you have different opinion?

Wilma Richards:

What do you think about book? It is just for students as they are still students or that for all people in the world, exactly what the best subject for that? Just simply you can be answered for that issue above. Every person has various personality and hobby for each other. Don't to be forced someone or something that they don't wish do that. You must know how great along with important the book The Agony and the Eggplant. All type of book could you see on many resources. You can look for the internet options or other social media.

James Cooper:

Nowadays reading books be a little more than want or need but also work as a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book that improve your knowledge and information. The info you get based on what kind of guide you read, if you want attract knowledge just go with knowledge books but if you want sense happy read one with theme for entertaining such as comic or novel. Typically the The Agony and the Eggplant is kind of book which is giving the reader capricious experience.

Rebecca Bonnett:

Exactly why? Because this The Agony and the Eggplant is an unordinary book that the inside of the publication waiting for you to snap that but latter it will shock you with the secret this inside. Reading this book next to it was fantastic author who else write the book in such amazing way makes the content inside of easier to understand, entertaining technique but still convey the meaning completely. So , it is good for you for not hesitating having this any longer or you going to regret it. This unique book will give you a lot of rewards than the other book have got such as help improving your ability and your critical thinking technique. So , still want to hold up having that book? If I had been you I will go to the e-book store hurriedly.
