## **The Wit and Wisdom of Boris Johnson (Wit & Wisdom) Harry Mount**

Intelligent, ruthlessly ambitious and prone to gaffes that the press and public take equal delight in, Boris Johnson is the darling of the Tory party. This collection of his wit and wisdom, edited by eminent journalist Harry Mount, covers his education, his journalism, his politics, his time as Mayor of London, the Olympics and his personal life. It begins with a substantial introduction exploring his time in public life, not ignoring his personal indiscretions. This book has the full support of Boris Johnson himself.
