Cursed Days (Trilogy of the Chosen Book 3) J.M. LeDuc

Cryptic messages written in Old Testament languages.

A pleading from the Vatican.

The probability of terrorist involvement.

And that's just the beginning of *Cursed Days*.

Brent Venturi and the Phantom Squad will go in search for what the ancients have called 'the messengers'. At stake, the mythical Ark of the Covenant.

Some say the ark contains divine powers: powers of heaven and hell. Some say it was destroyed along with Solomon's Temple. Others say it was stolen by King Solomon's son and taken to Egypt. Only the messengers know for sure.

In the third installment of The Trilogy of The Chosen, the Covenant Team will race throughout the Middle East in search of the messengers and the ultimate prize, but they are not alone. The Brotherhood of Gaza is also in the hunt. Their motive...world domination. The only clues to the search were written at the time of Moses. The only rules to the search: The Chosen One must take the ones who came before him. His only warning: Evil Finds A Way!

Welcome to "Cursed Days," where every day could be the last.

This is a new release of a previously published edition.
