Jakob von Gunten (New York Review Books Classics) Robert Walser

The Swiss writer Robert Walser is one of the quiet geniuses of twentieth-century literature. Largely self-taught and altogether indifferent to worldly success, Walser wrote a range of short stories, essays, as well as four novels, of which *Jakob von Gunten* is widely recognized as the finest. The book is a young man's inquisitive and irreverent account of life in what turns out to be the most uncanny of schools. It is the work of an outsider artist, a writer of uncompromising originality and disconcerting humor, whose beautiful sentences have the simplicity and strangeness of a painting by Henri Rousseau.
