## **Legion aurea (Historia Silenciada) (Spanish Edition) Manuel Espin**

In the days when Nazi Germany prevailed on the battlefields, a war broke out in Spain between the secret services of Hitler, the United Kingdom, and their allies. There were times when the German embassy had a great influence in society and cultural propaganda was in the hands of the powerful and strange person, delegated by Goebbels in Madrid. This was attributed to a possible Jewish origin service: Reich III. Goebbels was a renegade and a traitor to his culture, blind to the termination of those who shared the same origin. In this context, a young Spanish boy, occasional fine arts model, is married to an ordinary woman whom he doesn't love. He is fascinated with a German lady with a life full of darkness, causing him to become trapped in a spider web of the most sinister interests. The book includes a file about the Nazi power during the early Franco period.

En los días en los que la Alemania nazi se imponía en los campos de batalla, se desató en España una auténtica guerra entre los servicios secretos de Hitler, los del Reino Unido y los aliados. Eran tiempos en los que la embajada alemana ejercía una gran influencia en la sociedad y la propaganda cultural estaba en manos de un poderoso y extraño personaje, delegado de Goebbels en Madrid, al que se le atribuía un probable origen judío al servicio del II Reich: era un renegado traidor a su cultura y ciego ante el exterminio de quienes compartían sus orígenes. En ese contexto, un joven español, ocasional modelo de Bellas Artes, casado con una mujer vulgar a la que no ama y fascinado por una dama alemana con una vida llena de oscuridades, quedará atrapado en la tela de araña de los más siniestros intereses. El libro incluye un dossier sobre el poder nazi durante el primer franquismo.
