## The Gift: A Magical Story about Caring for the Earth

What would you do with a bag of gold? Would you share it? Long ago in a kingdom far away, Ananda, the Buddha's principal disciple, taught a small-minded king the importance of sharing—not only one's personal wealth, but also the wealth of the earth's resources.

Thirty vibrant watercolors illustrate this delightful children's tale about the importance of using nature's gifts wisely so that these precious resources will be available to share in the future.
