Wild Finn's Journey: Discovering the Spirit of Australia Timo 'Berghem' Kallioheimo

Timo's done them all! To the Gemfields from the building sites, he's had some epic journeys filled with adventures that tested his strength, courage, and determination through the trials, tribulations, triumphs, and tragedies. They include a five-year sail around the world with his wife and daughter on their yacht Iceberg. In 1999, he was the first man to paddle an outrigger sea kayak from Fraser Island to Cape York Peninsula. It was a four-and-a-half month journey, pitting him against some of the worst weather conditions, not to mention the man eating sharks and saltwater crocodiles, and he survived by collecting rainwater and hunting for his food with his throwing spear. Then in 2003, he walked one-thousand-plus kilometers, pulling a trolley loaded with his supplies, from Mareeba to Cape York, the most northern point of Australia. A few years later, in 2006, he rode a pushbike 2,300 kilometers from the Gold Coast to Kangaroo Island in South Australia. With a combination of memories and daily journal entries, he captures the spirit of Australia in a very unique way. Like his Viking ancestors, Timo not only survived, but beat the odds.
