**Boys and Literacy: Practical Strategies for Librarians, Teachers, and Parents** Elizabeth Knowles, Martha Smith

Literacy and boys is currently a hot issue in education and the media. This new book by award winning authors Knowles and Smith explores the facts and research on the topic and furnishes annotations of current, relevant journal and magazine articles. It gives strategies for making changes in the classroom and the home to help improve the literacy of boys and includes suggestions based on current brain research. Chapters focusing on genres of particular interest to boys (horror, adventure, science fiction, war, fantasy, mysteries, etc.) include information, annotated journal articles, general discussion questions, at least ten book annotations, and a list of additional titles for each genre. All titles also include a reading level and one chapter features graphic novels. Helpful appendices furnish information about magazines and authors of particular interest to boys. Grades 4-8.

#### **Claire Davis:**

Is it an individual who having spare time and then spend it whole day by means of watching television programs or just telling lies on the bed? Do you need something new? This Boys and Literacy: Practical Strategies for Librarians, Teachers, and Parents can be the solution, oh how comes? It's a book you know. You are and so out of date, spending your time by reading in this completely new era is common not a geek activity. So what these publications have than the others?

#### **Sherry Nicholson:**

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library in order to make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to the library. They go to generally there but nothing reading seriously. Any students feel that reading through is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Boys and Literacy: Practical Strategies for Librarians, Teachers, and Parents can make you truly feel more interested to read.
