Green Home Improvement (RSMMeans) Daniel D. Chiras

In a tight economy, this book offers clear financial benefits: Helps homeowners immediately cut their utility bills. Fits with the trend toward smaller home improvements most of the projects require only a modest investment. Gives readers an edge when they sell their homes buyers are especially looking for energy-efficiency, but they're also tuned into green health and environmental concerns.

The books projects range from quick, easy, low- or no-cost tasks like insulating a water heater, sealing foundation cracks, or painting with insulating paint to bigger-ticket items such as installing a new energy-efficient heating system, windows, or green flooring.

For each project, readers will learn: the steps required; material and installation options; what the improvement will cost; payback in savings on utility bills; health, comfort, and environmental benefits.

More than 65 Go Green tips highlighted throughout the book give readers ideas for quick, easy, and often low- or no-cost things they can do, right away, to make their homes and lifestyles greener.

Projects include: Green flooring & paint options Environmentally friendly cabinetry & countertops Whole-house insulation & weather-stripping High-efficiency heating & cooling Water conservation Efficient lighting, appliances & plumbing fixtures including Energy Star and WaterSense models Solar electric and water heating systems Eco-friendly roofing & siding Energy-efficient windows, doors & skylights Green materials for patios, walkways & driveways Landscaping & irrigation for water conservation and energy.

From reader reviews:

Christine Wormley:

Nowadays reading books become more and more than want or need but also become a life style. This reading habit give you lot of advantages. The advantages you got of course the knowledge your information inside the book which improve your knowledge and information. The data you get based on what kind of guide you read, if you want have more knowledge just go with education and learning books but if you want experience happy read one together with theme for entertaining such as comic or novel. The Green Home Improvement (RSMMeans) is kind of publication which is giving the reader capricious experience.

Jason Faria:

Information is provisions for folks to get better life, information today can get by anyone at everywhere. The information can be a know-how or any news even a huge concern. What people must be consider when those information which is within the former life are hard to be find than now's taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you have the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen within you if you take Green Home Improvement (RSMMeans) as your daily resource information.

Eugene Williams:

Exactly why? Because this Green Home Improvement (RSMMeans) is an unordinary book that the inside of the book waiting for you to snap that but latter it will jolt you with the secret that inside. Reading this book adjacent to it was fantastic author who write the book in such awesome way makes the content inside easier to understand, entertaining approach but still convey the meaning entirely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This phenomenal book will give you a lot of positive aspects than the other book possess such as help improving your ability and your critical thinking means. So , still want to hold off having that book? If I were you I will go to the reserve store hurriedly.

Marilyn Calhoun:

Beside this Green Home Improvement (RSMMeans) in your phone, it could possibly give you a way to get nearer to the new knowledge or data. The information and the knowledge you are going to got here is fresh from oven so don't become worry if you feel like an older people live in narrow commune. It is good thing to have Green Home Improvement (RSMMeans) because this book offers for your requirements readable information. Do you oftentimes have book but you would not get what it's all about. Oh come on, that will not happen if you have this in your hand. The Enjoyable blend here cannot be questionable, similar to treasuring beautiful island. Use you still want to miss the idea? Find this book in addition to read it from right now!
