I Don't Remember!: Unique and Powerful Ways to Improve Your Memory James Asher

Contrary to the belief of many people that sharpening your memory takes a lot of time and effort, you don't have to be a genius to quickly know, understand, and recall what you have read or learned. **Can you imagine what your life would be like if you have a sharp memory? You can achieve the following:** Get higher grades by studying more efficiently! Build good relationships by recalling people's names, faces, and interests! Enhance your career by recalling facts and numbers effortlessly! Never get lost on the road again! Save lots of time by never having to find lost objects! Impress your friends with your super memory and be the life of the party! It doesn't matter whether you're 92 years old or just 12, anyone is capable of memorizing and recalling virtually any information possible. However, you must have the proper lifestyle, attitude, habits, and methods to possess a super memory.
