Sighs Matter (The Port Henry Trilogy) Marianne Stillings

It was a night of slow dances, heated looks, and for detective Taylor McKennitt, the Earth moved.

Unfortunately, so did the lovely Claire . . .

. . . right on out the door. Not that it wasn't the hottest night of her life. In fact, the memory of Taylor's kisses, his touch, his . . . everything makes Claire want to leap right back into the sexy detective's bed. But the last thing she needs is to fall in love with a man in blue, even if he is irresistible. And determined.

Then just when Taylor thinks he's close to getting her back into his life, a deranged killer targets Claire. Now it's Taylor's duty to protect her. And in the process, he'll win her resisting heart or die trying -- which is suddenly a very distinct possibility.
