Winner of Best Illustrated Medical Book and achieved Highly Commended in Basis of Medicine Category, British Medical Association Book Awards

BMA Judges Comments:

This book has high quality illustrations and production with details on the painting and artist in appropriate context. Helpful resources for further study are given at the back of the book. It's a useful reference point for anyone interested in art and medicine - a beautiful series of essays on art history, which is used to illustrate artists' views of health, healing and treatment, especially using surgery.
