A young Native American woman creates a hauntingly beautiful tribute to an age-old way of life in this fascinating portrait of the women of the Blackfoot Indians. A captivating tapestry of personal and tribal history, legends and myths, and the wisdom passed down through generations of women, this extraordinary book is also a priceless record of the traditional skills and ways of an ancient culture that is vanishing all too fast.

Including many rare photographs, *The Ways of My Grandmothers* is an authentic contribution to our knowledge and understanding of Native American lore -- and a classic that will speak to women everywhere.
