**Unbreakable: A Novel (Zane Presents)** William Fredrick Cooper

From the critically acclaimed author of *Six Days in January* and *There's Always a Reason*, this eagerly anticipated novel follows one man's emotional journey to find love and triumph over despair.

It's Valentine's Day; seven years ago, William McCall lost Linda Woodson—the woman who restored his faith and hope. Still grieving her death, he drowns his sorrows at a local bar in Manhattan, when a new woman enters his life...

Keisha Gray is a Michigan schoolteacher visiting the Big Apple, and when she first meets William, they bond over their shared love for Michael Jackson. Soon they connect over much more and set out on a journey to heal their broken pasts. William is still trying to get over his heartbreak, while Keisha is on a journey to rediscover her self-worth after the double murder of her parents. The couple travels through New York, South Carolina, and Michigan to sort through their pasts and renew their faith in God, life, and love.

Highly emotional and embedded with powerful messages, *Unbreakable* is a love ballad that explores adversity, human connection, and what it takes to heal a broken heart.
