## **Altar Your Space: A Guide to the Restorative Home** Jagatjoti Singh Khalsa

Jagatjoti Khalsa says that sacred furnishings — like beautiful pieces sculpted by human hands from real wood, colorful textiles imbued with spirit and purpose — should be the foundation of a home's décor.

Drawing inspiration from the East and utilizing a team of Indian craftspeople and artisans, Khalsa suggests simple ways to fill the home with spirit-infused decorations. Using examples from his bold work for Sharon Stone, Joely Fisher, Adrienne Brody, Shiva Rae, and others, Khalsa demonstrates how to make any living space, whether kitchen, child's playroom, home office, or the entire house, more spiritual. Engaging text and 150 color photographs help readers imagine and implement the creative possibilities of such items as antique Chinese wagon wheels, silk bedding, Tara statues, Asian pine tables made from 300-year-old railroad ties, antique screen doors, and Kela vine bedding. *Altar Your Space* shows how small changes and a new perspective can make any home a true haven for personal growth and joy.
