Pontiac GTO 50 Years: The Original Muscle Car Darwin Holmstrom

This is the car that launched the muscle car era and gave the Baby Boomers high-speed wings.

Trivia freaks might know that Pontiac's "GTO" means "Gran Turismo Omologato," but muscle car fans know it earned its nickname "The Great One" at a time when America built the greatest cars on earth. It wasn't the fastest, the most powerful, or the most outrageous muscle car, but Pontiac's GTO resides at the very top of the pantheon because it was the first.

Pontiac GTO 50 Years: The Original Muscle Car follows the rise of this iconic vehicle from the day in 1963 when Chief Engineer John Z. DeLorean bolted a 389-cubic-inch GTO engine into a prototype Tempest coupe through the final GTO rendition in 2006. Wedding that massive V-8 to a mid-size GM chassis created one of the fastest production cars of the time but also made it a car just about anyone with a job could afford.

It started as an option package that was supposed to be limited to 5,000 units. Instead, word of mouth pushed sales to more than six times that many in its first year.

Hundreds of photographs round out this thoroughly researched history and offer insight into the vehicle that, through redesigns, repackages, and relauches, came of age with the Baby Boomer generation. From classic 1960s models to the GTO's revival in 2004, the exhilarating story of the outlaw that should never have been and will never be again will thrill any auto enthusiast.

You never truly feel lose out for everything if you read some books.

Kerstin Torres:

The publication with title Pontiac GTO 50 Years: The Original Muscle Car contains a lot of information that you can learn it. You can get a lot of help after read this book. This particular book exist new know-how the information that exist in this reserve represented the condition of the world currently. That is important to yo7u to know how the improvement of the world. That book will bring you inside new era of the syndication. You can read the e-book on your own smart phone, so you can read this anywhere you want.

Kenneth Sigler:

As a student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some guide, they are complained. Just very little students that has reading's heart and soul or real their hobby. They just do what the educator want, like asked to go to the library. They go to there but nothing reading really. Any students feel that examining is not important, boring and also can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Pontiac GTO 50 Years: The Original Muscle Car can make you experience more interested to read.
