Preventing Identity Theft in Your Business: How to Protect Your Business, Customers, and Employees Judith M. Collins

Preventing Identity Theft in Your Business is a reliable guide to help protect companies, their customers, and their employees from the growing problem of identity theft. Real-life examples show managers and executives how to identify business, customer, and employee identity theft, how these crimes are committed, how best to prevent them, and overall, develop an honest company culture. It also covers how to manage this threat in business reorganizations such as mergers, acquisitions, globalization, and outsourcing.

Judith M. Collins (East Lansing, MI) is Associate Professor of Industrial and Organizational Psychology at the School of Criminal Justice at Michigan State University. She is also the Director of the Michigan State University Identity Theft Partnership in Prevention.
