Road Biking New Jersey: A Guide to the State's Best Bike Rides (Road Biking Series) Tom Hammell

Road Biking New Jersey is more than a set of thirty-five great bike rides. It's a tour of all the beauty and diversity the Garden State has to offer. After addressing bike safety, handling, and maintenance, the book focuses on the rides, with clear directions and insider commentary. Presented in three sections—North, Central, and South—the rides cover a variety of distances, terrain, locations, and traffic conditions, from 12- to 25-mile rambles to a 227-mile epic from northern New Jersey to Cape May.

From the rural hills by High Point and the busy roads near the George Washington Bridge, to the beautiful Victorian houses on the shores of Cape May and the historic villages on the Delaware, *Road Biking New Jersey* comprises a whole host of sights to see and enjoy along the way.
