## The Tools of Government: A Guide to the New Governance

*The Tools of Government* is the first professional guide to the principles and practices of public administration in an age when governments no longer provide many services--but arrange for others to do so. Characterized by extensive collaboration among levels of government and between government and the private sector, this new approach to solving public problems presents many new important issues.

Comprehensive in scope, this new book offers a first hand look at the challenges faced by contracting out to nonprofit and profit sectors for grants, insurance, regulation, vouchers, cooperative arrangements, tax data, grants-in-aid, and others. The chapters examine over 20 different tools in use today and summarizes their basic features, patterns of usage, key tasks, political and substantive rational, and the major management challenges that each one poses.

International in coverage and application, this book is ideal for students, teachers, and scholars in public administration, management, public policy, economics, political science, and nonprofit management; managers and heads of state, local, and federal agencies; executives in foundations and other nonprofit organizations; and academic, government, and research libraries.

#### **Maria Carlin:**

Is it a person who having spare time then spend it whole day through watching television programs or just lying on the bed? Do you need something totally new? This *The Tools of Government: A Guide to the New Governance* can be the solution, oh how comes? A book you know. You are and so out of date, spending your extra time by reading in this new era is common not a geek activity. So what these textbooks have than the others?

#### **Aurora Ammon:**

As a student exactly feel bored to reading. If their teacher asked them to go to the library or even make summary for some reserve, they are complained. Just little students that has reading's heart or real their passion. They just do what the professor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore , this *The Tools of Government: A Guide to the New Governance* can make you sense more interested to read.
