Bessie Bump & Friends Amberley Meredith

Bessie Bump and her friends go through many different adventures over the course of their lives. In this first collection of stories, the young reader follows Bessie facing the trauma of her parents separating and not seeing her father very often. This is due to her parents' unwillingness to move past their own hurt and communicate positively in order to allow their daughter to benefit from both their wisdoms, and spend time equally with them.

In the '*Bessie Bump Gets a New Family*' is a story of separating parents, helps both the parents and child better understand what their child was going through because of their separation. In '*Bessie Bump Gets a Brother*' Bessie has to adapt to her mother's new relationship and a step brother, as well as living with creatures from a different background. They must all be tolerant, patient and open-minded in order to live together peacefully. In '*Bessie Bump gets a Friend*', Bessie's new friend Tatyana helps her understand why some people bully others and why she can not only help herself by speaking up about it, but also the person doing the bullying. In the final story of this series '*Sheridan Shark Finds Himself*' Bessie's new brother, Sheridan, learns how to combat loneliness, love himself for who he is, and not look to others to boost his self-esteem and make him feel better.

Bessie Bump stories offer the opportunity for both adults and children to learn how to deal more positively with life's difficult circumstances. They can help us develop the innate ability, which we all have, to recognise and control emotions so that, hopefully, rather than relying on the handsome prince/princess to save the day, using adult-related escape routes like alcohol or busy careers, or simply waiting for others to make choices that might save us, we can easily find our own healthy coping mechanisms and solutions.

From reader reviews:

Larry Witcher:

Why don't make it to be your habit? Right now, try to prepare your time to do the important work, like looking for your favorite book and reading a reserve. Beside you can solve your trouble; you can add your knowledge by the publication entitled Bessie Bump & Friends. Try to the actual book Bessie Bump & Friends as your friend. It means that it can for being your friend when you really feel alone and beside that course make you smarter than in the past. Yeah, it is very fortunated for you personally. The book makes you more confidence because you can know every thing by the book. So , let us make new experience along with knowledge with this book.

Judy Brown:

Have you spare time for the day? What do you do when you have more or little spare time? Yes, you can choose the suitable activity to get spend your time. Any person spent their particular spare time to take a move, shopping, or went to often the Mall. How about open or even read a book allowed Bessie Bump & Friends? Maybe it is to be best activity for you. You realize beside you can spend your time along with your favorite's book, you can better than before. Do you agree with its opinion or you have some other opinion?

Hoyt Adkins:

Reading a e-book tends to be new life style on this era globalization. With reading you can get a lot of information that may give you benefit in your life. With book everyone in this world can share their idea. Books can also inspire a lot of people. Plenty of author can inspire their very own reader with their story or maybe their experience. Not only the story that share in the textbooks. But also they write about the knowledge about something that you need example of this. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors in this world always try to improve their ability in writing, they also doing some investigation before they write to the book. One of them is this Bessie Bump & Friends.

Santos Conrad:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's heart or real their hobby. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that reading is not important, boring and also can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So , this Bessie Bump & Friends can make you experience more interested to read.
