## Chloe, Instead

Molly always dreamed of having a sister who is just like her. But she got Chloe, instead. These two sisters are nothing alike: Molly loves to color with crayons. Chloe prefers the taste of wax. Molly loves to read. Chloe prefers to nibble a book's spine. Molly is frustrated! But then she realizes that maybe sisters aren't the ones next to you on the piano bench, they're the ones dancing to the music you play! This humorous, perceptive snapshot of sibling love is perfect for those who may need a bit of convincing what fun little siblings can be! Plus, this is a fixed-format version of the book, which looks nearly identical to the print version.
