The Sun and the Serpent

Hamish Miller, Paul Broadhurst

The Sun and the Serpent Hamish Miller, Paul Broadhurst

If you are into ley lines, then this book is a must for you. It literally maps the Michael and Mary ley lines (which originate in Cornwall in the South West of England) in the finest detail, and takes you on a journey through ancient history to present day. Not only will you discover where the ley lines criss-cross the English countryside but you will find out how the ancients used the ley lines to locate their sacred sites and activate their energies at key times of the year to promote fertility and harmony in the landscape and the people.

From reader reviews:

John Barrow:

In other case, little people like to read book The Sun and the Serpent. You can choose the best book if you want reading a book. Given that we know about how is important some sort of book The Sun and the Serpent. You can add knowledge and of course you can around the world by way of a book. Absolutely right, because from book you can recognize everything! From your country until foreign or abroad you will end up known. About simple issue until wonderful thing it is possible to know that. In this era, you can open a book as well as searching by internet product. It is called e-book. You may use it when you feel weary to go to the library. Let's read.

Catherine Mejia:

The book The Sun and the Serpent can give more knowledge and information about everything you want. So why must we leave a good thing like a book The Sun and the Serpent? Wide variety you have a different opinion about publication. But one aim that book can give many information for us. It is absolutely suitable. Right now, try to closer using your book. Knowledge or info that you take for that, you can give for each other; you may share all of these. Book The Sun and the Serpent has simple shape but you know: it has great and big function for you. You can seem the enormous world by wide open and read a publication. So it is very wonderful.

Regina Hash:

Why? Because this The Sun and the Serpent is an unordinary book that the inside of the publication waiting for you to snap the idea but latter it will distress you with the secret that inside. Reading this book beside it was fantastic author who also write the book in such awesome way makes the content interior easier to understand, entertaining method but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of gains than the other book have got such as help improving your ability and your critical thinking technique. So , still want to postpone having that book? If I had been you I will go to the guide store hurriedly.

Valerie Beauchamp:

In this particular era which is the greater man or woman or who has ability to do something more are more treasured than other. Do you want to become one of it? It is just simple strategy to have that. What you must do is just spending your time little but quite enough to experience a look at some books. One of several books in the top record in your reading list will be The Sun and the Serpent. This book that is certainly qualified as The Hungry Hillside can get you closer in turning into precious person. By looking upwards and review this publication you can get many advantages.
