The Voyage: Short Story Katherine Mansfield

Fenella Crane struggles to keep up with her father and grandmother as they stride toward the Picton boat. Her neatly-rolled luggage is strapped to her back and she clutches her grandmother's umbrella closely to her. Her father looks tired and sad, she thinks, and as the second whistle blows, he removes his hat and takes his mother in his arms. Fenella wants to know how long she is going to stay with her grandparents on the South Island, and when her father presses a shilling on her, just in case, she has her answer: forever.
