El payador (Spanish Edition)

Leopoldo Lugones

El payador (Spanish Edition) Leopoldo Lugones

En 1913, Leopoldo Lugones presentó seis conferencias en el teatro Odeón, donde se encontraba la gran mayoría de los políticos y literatos de la época. Luego viajó a Europa y regresó a la República Argentina cuando empezó la Primera Guerra Mundial. Una vez allí, recopiló todo el material a los que añadió cuatro nuevos capítulos, y los publicó bajo el nombre de El payador en 1916, fecha significativa, centenario de la Independencia. El payador es un ensayo que retrata la vida y las costumbres del gaucho en la pampa, en particular del payador, cantor errante de romances. Lugones establece una relación directa entre el Martín Fierro y obras como La Ilíada de Homero, el Cantar de Mio Cid, incluso la Divina Comedia, para equiparar el personaje del gaucho con los grandes personajes épicos de la historia, lo cual creó cierta sorpresa entre los círculos intelectuales del momento.

«El gaucho influyó de manera decisiva en la formación de la nacionalidad por ser elemento conciliador y a la vez diferencial entre el indio y el español. Todo cuanto es origen nacional viene de él: la guerra de la independencia, la guerra civil, la guerra con los indios. No lamentemos, sin embargo, con exceso su desaparición que fue un bien para el país, porque el gaucho contenía un elemento inferior en su parte de sangre indígena.»

Paula Salas:

People live in this new day of lifestyle always try and and must have the time or they will get large amount of stress from both daily life and work. So , whenever we ask do people have extra time, we will say absolutely yes. People is human not only a robot. Then we consult again, what kind of activity have you got when the spare time coming to a person of course your answer may unlimited right. Then ever try this one, reading publications. It can be your alternative in spending your spare time, often the book you have read will be El payador (Spanish Edition).

Debra Shortt:

As a university student exactly feel bored for you to reading. If their teacher asked them to go to the library in order to make summary for some publication, they are complained. Just little students that has reading's internal or real their pastime. They just do what the teacher want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this El payador (Spanish Edition) can make you experience more interested to read.

Sarah Heath:

A number of people said that they feel weary when they reading a e-book. They are directly felt it when they get a half portions of the book. You can choose the book El payador (Spanish Edition) to make your own personal reading is interesting. Your current skill of reading skill is developing when you similar to reading. Try to choose straightforward book to make you enjoy you just read it and mingle the idea about book and looking at especially. It is to be very first opinion for you to like to open up a book and go through it. Beside that the publication El payador (Spanish Edition) can to be your brand new friend when you're truly feel alone and confuse with what must you're doing of these time.
