# Heroin Addiction and The British System: Volume II Treatment & Policy Responses: 2

## **Heroin Addiction and The British System: Volume II Treatment & Policy Responses: 2**

The British system of dealing with drug addiction is notable for its flexibility and its capacity to adapt to changing circumstances. Because of this it has attracted considerable international interest, although it is rarely fully understood or accurately represented.

Presenting a comprehensive account of the development of policies and treatments, *Heroin Addiction* brings together the perspectives of policy makers, practitioners and social commentators. The book contributes to a proper understanding of how policy and practice has evolved so that lessons for future policy and practice may be identified.

Volume II of *Heroin Addiction* charts the development and use of treatment and policy responses in the UK, highlighting the limitations of these approaches as well as their achievements. It is a unique source of reference for students, researchers, healthcare professionals and drug agencies both in the UK and overseas.
