Taizo Kuroda

Taizo Kuroda

This book showcases the astonishing beauty of Taizo Kuroda's white porcelain. For centuries, Japanese potters have created remarkable ceramic vessels, usually intended for use in tea ceremonies or as tableware. In contrast, the work of Taizo Kuroda is revered not for its functionality, but for its formal purity and artistic quality. Each of Kuroda's unglazed works hints at the artist's fascination with crossing the barriers of time and space to achieve what he calls, creating for infinity. Imperfect by design, his works have found admirers among such significant figures as the fashion designer Issey Miyake and the architect Tadao Ando, who respectively wrote the preface and introduction for this book. Featuring photographs that emphasize the transcendental beauty of Taizo Kuroda's white porcelain, this book is a must for anyone interested in contemporary ceramics.

From reader reviews:

Jesus Reeves:

Precisely why? Because this Taizo Kuroda is an unordinary book that the inside of the book waiting for you to snap that but latter it will zap you with the secret that inside. Reading this book next to it was fantastic author who else write the book in such incredible way makes the content inside of easier to understand, entertaining technique but still convey the meaning entirely. So , it is good for you for not hesitating having this any longer or you going to regret it. This amazing book will give you a lot of rewards than the other book get such as help improving your talent and your critical thinking way. So , still want to delay having that book? If I had been you I will go to the e-book store hurriedly.

Gregory Jager:
