Chaingang Rex Miller

The man is a hulk of angry, flabby, flesh, housing a genius intelligence that is ever inventing new and twisted ways to inflict pain on others. Torturing and killing innumerable victims with impunity, he still was not clever enough to keep himself out of prison forever. They drugged him, beat and muzzled him, then restrained him within the tight walls of a maximum?security solitary confinement cell. All that meant for Bunkowski was time to seethe in his own vile juices, planning revenge, until the day when he fought his way out. When that happened, the most terrifying, brutal, and inhuman serial killer, Daniel “Chaingang” Bunkowski, is once again on the loose. Chaingang is the ultimate serial killer—quick, silent . . . and terrifying!
