**Construction Arbitrations 2e** Vincent Powell-Smith, John H. M. Sims, Christopher Dancaster

This is a practical guide for arbitrators (primarily non-lawyers) and parties to arbitration. It has been revised to take account of the Arbitration Act 1996, dealing in detail with the way the new Act has redefined the arbitrator's role. The new edition also features the new JCT Arbitration Rules and considers the relationship of arbitration to adjudication. It discusses revised clauses on arbitration to the main building contracts.
