DK Eyewitness Books: The Amazon DK

Applying the award-winning *Eyewitness* formula to the subject of the largest and most bio-diverse tract of tropical rain forest in the world, *Eyewitness: The Amazon* profiles this incredible habitat — including the birds, animals, and insects that live there to the nine South American countries it extends across.

This uniquely beautiful illustrated guide dives into the beauty and diversity of the Amazon: the rain forest and the river; its flora, fauna, and life cycles; and the people who live in the region.
