Managing Absence in Library and Information Services (Training Packages Series)

Managing Absence in Library and Information Services (Training Packages Series)

This course is aimed at LIS supervisors and line managers and those who wish to manage absence on a team or departmental level. It is designed as a modular two-day programme, with the flexibility to either deliver it complete, or as 14 separate sessions ranging from 30 to 90 minutes. The course contents for day one include: introduction and objectives; the benefits of managing absence; defining absence; quantifying absence; causes of absence; role of line managers; and procedures for managing absence. Course contents for day two include: review and preview; understanding your team; return to work interviews; case studies; do's and don't's; action planning; and review and evaluation. An A4 ringbinder is included, plus full trainer support materials including OHP originals and a delegate handout pack.
