It used to be you needed a crystal, a psychic, or a Oijia board to make contact with the spirit world. So who would think science would make it possible for just about anyone to experience a ghostly connection? Cameras, recorders, computers, magnetic field readers and other scientific means are now the tools of the trade. But there's so much available, how does the average teen weed through it all to create the best possible ghost hunting team? Here to help sort it all out are three of today's leading investigators of the field.

Together, Patrick Burns, Dave Schrader, and Marley Gibson have more than ten years of experience. They've put together this guide to impart their knowledge and wisdom on to the next generation of ghost hunters.

What's included:

- How to set up a ghost hunting team
- The equipment needed and how to use it
- Where to look for spirits
- Safety, safety, and more safety

Ghost hunting is equal parts science and belief. Patrick, Dave, and Marley are here to help with science part.
