## The Tell Hester Kaplan

An elegant and haunting novel of love and family, *The Tell* demands that we reconsider our notions of marriage—duty, compromise, betrayal, and the choice to stand by or leave the ones we love.

Mira and Owen's marriage is less stable than they know when Wilton Deere, an aging, no longer famous TV star moves in to the grand house next door. With plenty of money and plenty of time to kill, Wilton is charming but ruthless as he inserts himself into the couple's life in a quest for distraction, friendship—and most urgently—a connection with Anya, the daughter he abandoned years earlier. Facing stresses at home and work, Mira begins to accompany Wilton to a casino and is drawn to the slot machines. Escapism soon turns to full-on addiction and a growing tangle of lies and shame that threatens her fraying marriage and home. Betrayed and confused, Owen turns to the mysterious Anya, who is testing her own ability to trust her father after many years apart.

*The Tell* is a finely-wrought novel about risk: of dependence, of responsibility, of addiction, of trust, of violence. Told with equal parts suspense, sympathy, and psychological complexity, it shows us the intimate and shifting ways in which we reveal ourselves before we act, and what we assume but don't know about those closest to us.

#### **Stacey Thompson:**

The actual book The Tell has a lot of knowledge on it. So when you make sure to read this book you can get a lot of help. The book was authored by the very famous author. The author makes some research ahead of write this book. That book very easy to read you can find the point easily after reading this article book.

#### **Thomas Hall:**

Reading can called mind hangout, why? Because if you find yourself reading a book especially book entitled The Tell your head will drift away trough every dimension, wandering in most aspect that maybe not known for but surely can be your mind friends. Imaging just about every word written in a book then become one form conclusion and explanation this maybe you never get before. The The Tell giving you another experience more than blown away your mind but also giving you useful facts for your better life in this particular era. So now let us demonstrate the relaxing pattern the following is your body and mind is going to be pleased when you are finished reading it, like winning a casino game. Do you want to try this extraordinary paying spare time activity?

#### **Bruce Mull:**

This The Tell is great publication for you because the content and that is full of information for you who have always deal with world and get to make decision every minute. This particular book reveal it info accurately using great coordinate word or we can state no rambling sentences inside. So if you are read it hurriedly you can have whole details in it. Doesn't mean it only offers you straight forward sentences but tricky core information with attractive delivering sentences. Having The Tell in your hand like getting the world in your arm, details in it is not ridiculous 1. We can say that no e-book that offer you world within ten or fifteen minute right but this reserve already do that. So , this really is good reading book. Hey Mr. and Mrs. hectic do you still doubt which?
